Student of the Week

Congratulations to our Student of the Week winners. Georgina received her award for working hard in class. Our junior award was for being a wonderful friend to all his school mates. Well done to both winners!

Principals Report

It is great to see some warm and sunny days for a change. With better weather, students and staff will be able to get outside and do more gardening and sport. Produce, including eggs, are available for sale with all proceeds going back towards our vegetable garden and chooks.

Mrs White and Mrs Peacock have begun planning for our end of year concert. This will be held on Thursday 15th December starting at 6:30pm. The venue for our concert will be confirmed as soon as possible.

This term we will have 2 Curriculum Days which have been approved by School Council. These will be on Friday 2nd December (Assessment and Report Writing) and Friday 16th December (Planning Day). Students will not be required to come to school on these days.

Lastly, students had a great day at the Emergency Safety Expo last Monday in Beaufort. This included organisations such as Victoria Police, Ambulance Victoria, CFA and SES. Students were enthusiastic and conducted themselves in a fantastic manner. This is no surprise to us, as our students are always brilliant on excursions!

School Presidents Report 19 October 2016

School Council met on Wednesday for our first meeting of term 4.

We recapped on our Emirates Melbourne Cup Tour (EMCT) day which was a huge success for both our School and the Buangor Community. The representatives from VRC commented on numerous occasions throughout the day on how knowledgeable our students were about the Melbourne Cup and its History, they also commented on how welcoming we as a community were and how appreciative they were of our hospitality. This is a credit to our wonderful community, families, teachers and volunteers that all worked hard to deliver this special event. Well done everyone.

Over the coming weeks we will have finalised the amount raised from the EMCT and will let you all know the outcome, our early calculations indicate it was a very successful fundraising event for the whole community.

With all the amazing fundraising that has occurred this year we now have enough money to erect our camp kitchen, Works are expected to start next week and so it wont be long until we see the structure go up. The covered area will be 9m x 9m and will provide a wonderful covered outdoor space for our students to learn and play all year round.

We all put forward some ideas for potential future projects to improve our school which we will be able to collate and priorities accordingly. When we have our top priority projects we will start planning towards implementation. Some ideas that were put forward were:

- Upgrade Oval
- Upgrade sporting equipment
- Upgrade Basketball Court
- Shade Sails
- ICT upgrade

If you have any other ideas for improvements to our school please pass them on in the coming weeks so we can add to our list for prioritising.

With just over nine weeks until Christmas!! plans are underway for our end of year concert. Keep an eye out in the newsletter for updates. As always we’re looking forward to seeing the students performances and to celebrate the 2016 school year.
