**Principals Report**

Last Friday we hosted our first Group Day for the year. JB from Ballarat took the students for some “Hip Hop” lessons which saw some great moves from the students. Mrs Peacock organised some “Minute to Win It” games and I took some sporting activities. Overall we had an enjoyable day. Thank you to Jodie and Lauren for helping with the BBQ.

This long weekend teachers will be busy writing student reports. Reports will be handed out on the last Friday of term. Parent/Student/Teacher Interviews will be held early Term 3 with exact times to be confirmed. Most likely these will be Week 2 or 3 on a Tuesday and Wednesday night after school.

Lastly with the wet weather upon us, it is important that students come dressed in warm clothing. It may also be a good idea for students to have some spare pants and jumper in their bag. Younger ‘construction workers’ may also want to bring gumboots to deal with the puddles outside!

Have a restful long weekend!

**Students of the Week**

Congratulations to our Student of the Week winners Charlotte and Tilly Sporton. Charlotte’s award was for her outstanding work ethic. Tilly was awarded for her reading efforts. Well done Charlotte and Tilly!
Last Friday at our Cluster Day we had a Hip/Hop Breakdance session.

Thanks to Jamie at Existdance Hip Hop Skool for ensuring we had a great day.
This week in maths the children have been learning about 3D shapes. They loved constructing these great 3D shapes.

Students learning about coding, using Bee Bots and new apps.
BOUNCE BACK - RESILIENCE

Other approaches you can take to develop resilience in your child:

• **Don’t over-protect your child** from the normal challenges that young people have at different ages. Don’t do things for them without checking to see if they are capable of doing it for themselves.

• **Encourage your child to talk about what’s troubling them and help them to find solutions.** Encourage them to talk about how they are feeling and what they are thinking about the problem. Show them that you understand and then help them think about the positives and negatives of different solutions.

• **Gently dispute their self-defeating or unhelpful talk** (e.g. I can’t do this, I’m hopeless).

• **Don’t fight all of your child’s battles for them.** They need to experience some difficult times and deal with them so they can learn how to bounce back.

• **Model effective solving of problems** that are age appropriate for your child by talking ‘out loud’. Review different solutions to your ‘problem’ and the possible good or bad consequences of the different solutions.

• **When your child is upset about an unwelcome or distressing situation, help them to keep things in perspective** by asking them: Does this really matter as much as you think it does? Are you getting upset over very little? On a scale from 1 to 10, how bad is this really’?

• **Let your child see and hear you using positive tracking**, showing appreciation to others for the support they give them, saying ‘things will get better soon’ and expecting that good outcomes are possible.
Report Writing Day – Friday 10th June

Tomorrow will be a Report Writing Day. Students are not to come to school.

KIC CUP Results

In last weeks newsletter we showed photos for some of our students completing in the KIC Cup.
The results were fantastic with Buangor PS coming 4th. overall. Well done to the students who competed.

Happy Birthday to Will Chamings. Will is celebrating his 7th Birthday today.
We hope you have had a great day Will!

School Bank Details

If families would like to pay money to the school by direct deposit our bank details are below:

BUANGOR PRIMARY SCHOOL OFFICIAL ACCOUNT
BSB 063 500
ACCOUNT NUMBER 1004 3741
Please use your FAMILY name as a reference if you are making a payment.
The traditional Election Day Cake Stall is a very successful fundraiser for our school, but we need your help to make it bigger and better this year!

We hope to raise money to go towards the construction of the Camp Kitchen. This project will provide an undercover area, with a kitchen for the school community to use to cook our wonderful fresh produce, an outdoor learning space and a covered play area.

How can you help?

Can you Bake?
Donations of Biscuits, Cakes, Savoury items and slices can be delivered to Alison Tonkin at 18 School Rd on Friday 1st July (the day before the election). Please avoid items with cream or that need to be refrigerated as fridge space is limited and hard to display on the day if its warm (we can only hope!).
All items need to be packed and clearly labelled with the date baked, initials of baker and all the ingredients listed to satisfy Health Regulations. Items not displaying this information will not be able to be sold.

Can you help n the day?
We need help to sell our delicious treats on the day. If you are available at any time between 8am and 12noon, please let Alison Tonkin know on 0429 186 832 - we appreciate your help!

Can you support us?
Tell everyone you know that we will be there raising funds for our School. Come along and buy a treat on the day.
