Students of the Week

Congratulations to our “Students of the Week”. Jazz received her award for displaying a strong work ethic in class. Our Junior Class award was for always working hard in class. Well done!!
**Principals Report**

Swim/Gym concluded last week. This intensive two week program saw some great development with our students swimming and gymnastic skills. The stamina they have shown has been terrific, especially considering the warm conditions. This program will be reviewed by School Council tonight. If you have any feedback please come and see me or speak to a school councillor. It would be appreciated if all outstanding money for this program is paid as soon as possible. If you have any questions or concerns about this, please see myself or Kate.

Tomorrow we go to Moyston Primary School for our second Group Day of the year. There are a number of great activities planned, including some visiting wheelchair athletes. Mr Cain has also organised a special lunch order for those students who have returned their forms. Otherwise students can bring their own lunch.

On Tuesday our Grade 6 students all spent the day at Beaufort Secondary College learning about life at secondary school. Making slime, rockets, P.E. and Textiles were just some of the activities they participated in. By all reports these students had an enjoyable day.

Lastly, Grade 3-6 students did a wonderful job on Tuesday afternoon spreading some mulch over the base of one of our playgrounds. Great teamwork was shown by all. We are looking to do some more work on our school grounds at the next working bee on Sunday 10th April.

We now only have one week to go to the end of term. It certainly goes fast! Enjoy your week.

Marcus Murrell

**Reminder** that there is a School Council Meeting tonight starting at **7:30pm**.

**School Fees for 2016**

School Council has set fees at the following:

1st Child - $140.  
2nd Child - $100.  
3rd Child - $80.

Fees can be paid in full or by instalments. If you have any questions please contact Marcus or Kate.

**Fire Drill**

Today as part of our Emergency Management Plan we conducted an in house fire drill. All students were unaware of this scheduled practise and followed instructions well. The students rehearsed what is required of them if there was a fire at our school and where our school evacuation meeting point is located.
Reading is the **KEY** to learning
"The F-2 class had a great time on Tuesday playing 'guess the baby' with our baby photos in Science, with many babies recognizable by distinctive facial features like big, bright eyes, cheeky grins and cute button noses. After looking at our photos and noting the similarities and differences, we weighed ourselves and measured our height and head circumference, comparing today's measurements with our baby statistics. It was amazing to see just how much we've grown!"

Auskick

Auskick will be running at the Buangor Community Sports Centre on Thursday Nights during Term 2 (at the completion of the athletics program) and Term 3 from 4-5pm. All welcome (girls too). To be part of the program register at aflauskick.com.au. For more details phone Brett Chamings on 0434 699 589. How to register form attached.
