POLICY

1. School profile

Buangor Primary School is a rural school situated between Beaufort and Ararat just off the Western Highway. The original redbrick building and attached residence was erected in 1878 and today houses the Senior Department, School Office, Principal Office, withdrawal room and storage room. A weatherboard building contains the Junior Department, multipurpose room, small library and staffroom. A separate portable building is now used as an Art room. The school grounds are extensive, leading to native bush land and a backdrop of Mount Cole and Mount Buangor. Students are drawn

from the farming communities of Warrak, Raglan, Middle Creek, and Ballyrogan. These areas are serviced by one bus.

The school offers a comprehensive F-10 Victorian curriculum including specialist science, physical education cooking and art, Swimming/Gymnastics, Camps/Excursions, Interschool Sport, Outdoor Education Program, and a Mobile Area Resource Centre (Library). It offers r specialist support and intervention programs for students deemed at risk.

Buangor is an active member of the Ararat small schools cluster and combines for different events such as school camps, athletic sports, and the winter sports program.

The school fosters excellent values and the development of well-rounded, independent students with positive peer group pressures.

The whole school community is highly supportive and committed to the future development of the school. Parents are actively involved with the school through school council, assisting when required, helping out with sport activities such as swimming and interschool sports and working bees.
